

JA's Play 4 JA Events are a great way for companies and individuals to support students in their community with friendly fundraising and competition among colleagues, friends, and family. These offerings allow you to do some good while having fun.

*Select an event type, date, and time, and JA of Southwest New England will take care of the rest!*

All proceeds raised through these team-building events will support JA's programs in work readiness, entrepreneurship, and financial literacy throughout Connecticut.  
Fundraising minimums apply per event.
