

THE MOST INSPIRING EVENT OF THE YEAR IS BACK AND VIRTUAL!

Friday, May 14, 2021
7:30-8:00 AM Interactive Networking
8:00-9:00 AM LIVE Program

JA's Annual Partners in Achievement Breakfast is a celebration. During the breakfast program, which begins at 8:00 a.m., you will hear from students and educators around Connecticut who have experienced Junior Achievement's newly virtualized programs. We promise you will be inspired!

Although we'll be virtual this year, we promise a unique opportunity to network with top business leaders from across the state using an online platform called REMO. From 7:30 -8:00 a.m., while you hop table to table to network as you spot friends and colleagues across the room, you will also have a chance to mingle with JA alumni and students.

Don't miss this incredible opportunity to join JA as we inspire and prepare local youth to succeed – especially as they navigate the new norms brought about by the pandemic. Please be aware that this is a fundraising event and guests will be asked to make a contribution during the program.

We promise you will be inspired!

Please reserve your spot at JA's Virtual Partners in Achievement Breakfast by contacting Donna Koch at dkoch@jaconn.org or 860-525-4510.
